In times of crisis, times of recovery, and times of growth, United Way of Story County is here.
Leading the fight for the health, education, and financial stability of every person in Story County.

United Way was created for tough times like this. We are meeting pressing needs today and committed to rebuilding a stronger Story County, which includes reimagining systems to strengthen our collective humanity. As always, we are convening partners, leading collaborations, and making a difference. We’ve set bold goals to drive real change in our community.

We need you to join us. Lift your voice in advocacy. Lend your muscle to volunteer. Share your heart with a gift. Every act of generosity will help shape the future. Together, we can support youth as they adjust to the changing nature of learning, ensure seniors have access to home-delivered meals, and help all individuals meet their basic needs. Together, we can LIVE UNITED.
