

Reimagining

What's Next

Leading the fight for the health, education, and financial stability of every person in Story County.

As our community continues to respond and recover from the happenings around us, we are on a mission to imagine a more equitable tomorrow. Now is the time to **Reimagine What's Next** – reimagine what's next for individuals and families, for human services, and for our community with a vision of an improved quality of life for everyone.

We need you to join us. Lift your voice in advocacy. Lend your muscle to volunteer. Share your heart with a gift. Join us as we work to achieve our 2025 Community Impact Goals. By 2025, United Way will work to:

- **Improve community health by serving 4,500 more people**
- **Decrease the achievement gap by reaching 30% more underserved learners**
- **Strengthen financial stability by increasing the number of people served by 25%**

Together, we can move the needle forward for all.
