LIVE UNITED
Affinity Groups - Leadership

Community members pledging $1,000 or more annually make a major difference in the ways UWSC can act on its mission. More than 50% of the annual campaign can be attributed to leadership level donations.

There is also a Leadership Challenge level at $2,500 or more annually, and Tocqueville Society recognition for gifts of $10,000+.
Affinity Groups – Women United

Women United donors have full recognition as Leadership donors, though their funds are dedicated to the purpose of providing self-sufficiency and confidence through financial education. The program also includes scholarships and has hosted special classes for senior women.
Affinity Groups – Young Leaders Society

Engaged community members under the age of 40 can show their support for improving lives through this affinity group. At gift level of $250-$999 annually, YLS is designed to develop philanthropic behaviors early. Young Leaders will have special ways to become involved and educated in UWSC’s work to improve lives and communities.
