

Story County is a community that cares about financial stability.

1,625

households received emergency rent and utility assistance to help with housing cost burdens and prevent homelessness

593

adults were able to obtain or retain their job or start or stay in post-secondary schooling

57%

of participants were able to increase their savings after completing the 4-week Women United Money Management series

Day of Caring volunteers help out at Good Neighbor, who provides thousands of dollars in rent and utility assistance per month!

United Way of Story County
