

FOCUS ON HUNGER

ABOUT 5,000 INDIVIDUALS WERE SERVED BY STORY COUNTY PANTRIES IN JUNE.

The **SHOP** has been a recipient of funds and donations from United Way's annual **LIVE UNITED Food Drive**. ISU staff also participate in **UWSC's Hunger Collaboration** to work together to address hunger in our county.

Iowa State University has its own, student-run pantry, **The SHOP**, housed at 1306 Beyer Hall. This is one of 19 food pantries in Story County currently.

In the fall of 2021, ISU students experiencing low to very low food security increased to over 31%. A spring 2022 survey found over 88% felt **The SHOP** has helped them attend/participate in classes and other campus activities.
